

Dear All Members

SIA Industrial safety committee is actively working for various Safety Promotional activities. To persuade of this aim, the Committee is planning to bring out a “**Safety Bulletin**” commemorate 41st national safety week beginning from 4th March 2012 and to share safety thoughts, learning from Accidents, related law updates and many safety information amongst all members to create safe work environment in our region.

We are inviting articles, learning from accident, safety tips, use of PPEs and good informative write-ups from members to make this bulletin useful.

You are requested to send the material to SIA with name of author, compiler, industry and photograph by 21st Feb 2012.

Your cooperation will make this Bulletin a great success.

Have Safe & Nice Day

With Best Regards,

Bhavesh Rami
